

HOW TO VERIFY A BIOMETRIC SCREENING

STEP ONE

- Go to www.powerofvitality.com and log onto your account
- On the bottom right hand corner click on “forms”
- Click on “vitality check” and download the form

STEP TWO

- Take the form to your doctor’s appointment so your physician can be aware of the biometrics Vitality needs.
- Wait for your results to either be mailed to you or be uploaded to your online portal through your physicians office.

STEP THREE

- Scan and upload your mailed results or save your online results to your computer
- Log into www.powerofvitality.com and log onto your account
- Go back to “forms” and “vitality check” like you did to get the form

-To the right of download form, hit “submit form” and follow the prompts to upload your form
