Application Date _____

Signature _____

2022-23

Applications Due By September 30, 2022

APPLICATION NUMBER

For Office Use Only

Indian Valley Foundation

To our valued teachers,

Each year, the Indian Valley Foundation offers teachers the opportunity to apply for Classroom Grants that will enhance the classroom learning of our children. We are fully aware and appreciative that many of you use your own money to fund different projects, reach learning objective goals, and supply tools that are not traditionally funded by Indian Valley School District and this is our way of helping you!

Indian Valley Foundation has continued to grow since 2009. Our Gala Fundraisers have increased profit each year and thanks to such amazing support from our community and school district, 2022 was our best year yet with a profit of over \$48,000. Coupled with private and corporate donations as well as private endowments we were able to award over \$77,000 in scholarships, \$ 3,631 in Classroom Grants and \$ \$6800 in Building Grants for the 2021-2022 school year! Quite impressive for a district so small.

Our Board of Directors work very hard to make all this possible and we are very pleased to let you know that for the 2022-2023 school year we are increasing the Classroom Grants to **\$500** which we hope will be an incentive to increase applications.

When applying for your grant, keep in mind that **if** your project for a grant exceeds the \$500, teachers can combine more than one grant. Example: One building has 2 (or 3) first grades. Those teachers have a project that costs \$1000 (or \$1500) so each teacher can apply for \$500 for the same project as long as they all use the project and it benefits all children in their classes. (Please be sure to reference the co-project in your application)

We know you are busy and we appreciate all of you for our children. Let us help you! Our application is very easy and takes very little of your time! If you have any questions feel free to contact the Foundation. Have a great school year!
